

We are looking forward to our 5th Beer & Music Weekend. Each year the event has become bigger and more popular than the last.

Our plans to cope this year include :-

- Opening from 11am on Friday rather than from 3pm
- Operating evening bar trains rather than the DMU
- Additional facilities at Oxenhope

We'll need more volunteers than ever before for this event to enable us to look after the growing number of visitors.

There will be many activities from serving beer to washing glasses to keeping the place clean and tidy. You don't need to be a regular working member and you don't need beer festival experience, especially during the times when we are serving.

If you are available to help please outline your availability overleaf. The more idea we have about staff availability the more we will be able to plan in advance.

If you know someone who is not a member of KWVRPS but who would be willing to help we may be able to accept help – for instance a number of CAMRA members were given temporary membership rights and enjoyed helping last year.
