

The Keighley & Worth Valley Railway needs your help!

Over the winter of 2009/10 some of the bridges on the Railway Children's Railway, one in particular, suffered serious damage and are now in need of major work. The famous bridges around Mytholmes, numbers 17 and 18, just south of Oakworth Station at the place where the Railway Children waved their red petticoats to stop the train, are those that we are concerned about. We have already had to put a speed limit on bridge 18. If they have to be closed, then they could sever the Railway within a few years, it's as simple as that. We must raise £250,000 for urgent work to be done to bridge 18 as soon as possible and also its sister bridge 17 needs early remedial work if this is not to suffer similar damage. Please send money, urgently, to Keighley & Worth Valley Trust.

Thank you!
